TERP ACTION GUIDE

TRUMP ELECTION RIGGING PREVENTION (TERP)

Task Force

Trump is trying to Steal the Midterm Elections! Let's PREVENT him from doing that. Mobilize!!

STRATEGY

To prevent election rigging, we are organizing to do the following:

1. Prevent any method of restricting vote counts – SAVE Act, restrictions to mail-in balloting, voter IDs, etc.
2. Prevent voter intimidation at voting places by ensuring that voters are not intimidated by ICE agents or MAGA people.
3. Rejecting election results negations by Trump and Trump's DOJ. Only local and state officials can certify election results.
4. Support lawsuits to ensure that election results are not tampered with.
5. Organize rallies to build against election rigging or blunt their rallies
